MARKERS COURSE SEPT 2017

Munies hosted a well-attended marker's course, presented by the BGN Technical Official committee. The students were taught all the finer details of how to be a marker, the laws involved, and did a practical evaluation of their marker skills. All the candidates passed their exams, and we're awaiting the final results from BSA. Well done to the course attendees! If you're interested in also attending a course, we will keep you posted of the next course date.

UIT DIE PEN VAN DIE JEUG

Die afgelope paar jare het ons jong spelers betrek by Munies. Hierdie jeug het bewys dat hulle werklik goeie mededingende rolbal kan speel. Spelers van elke bevolkingsgroep is betrokke by die U15/U20 spanne. Die jongste speler was Tinaye wat maar net 9 jaar oud (inset) was toe hy begin speel het. Tans is daar 11 jeugspelers wat 'n bewys is dat die spel "rolbal" nie verlore raak by die jonger geslag nie. BGN Exco is tans besig om 'n intensiewe veldtog te loods om skole te teiken. Dit beteken dat meer jonger mense vir rolbal opgelei en beskikbaar sal wees. Ons wens Exco alle sterkte toe in hierdie onderneming. Om meer jeug te betrek sal die voortbestaan van rolbal verseker word. RolbalGroete, Die Jeugspan!

Ever wonder what your skip means when he speaks to you from the lawn? The Bowlers' own language is explained below:

The Sport of Bowls has its very own language which can totally mystify anyone who hears it, but hasn't had the pleasure of throwing a bowl in fun or earnest.

For the information of the uninitiated, here are a few terms translated into standard English.

"Good weight!" = lousy line

"Good line" = lousy weight

"Good back bowl" = you were lucky you didn't put it in the ditch

"That's in their way" = that's in my way

"That could be useful up there" = that bowl is closer to you than it is to the jack

"Get it next time" = you sure didn't get it this time

"He's surprisingly good" = you're surprised he ever makes a shot

"I'd bowl with him any day" = he always buys the first round.
